IMPORTANT

We urge you to place your order as soon as possible, as there is a great shortage of quality Nursery Stock. An early order will enable us to fill it more completely with the best stock.

NEW AND UNUSUAL PLANTS

Abelia floribunda. New, Mexican abelia. It has rich glossy foliage on pendulous branches with tubular reddish flowers.

2" pots.15 Gal. cans .35 5 gal.. 1.00

Aster fruticosus. Shrub aster compact evergreen shrub; masses of deep lavender flowers in spring. Grows about three feet high, quite hardy.

2" pots .10 Gal. cans .25 5 Gal. cans .100

Chorizema varium. A great improvement over the *Chorizema illicifolia*. The flowers are much darker and more brilliant. It is very vigorous and grows more upright. Its glossy deep green foliage makes it quite suitable for landscape planting.

2" pots .10 Gal. cans .25 5 Gal. cans .35

Ficus minima. Dwf. creeping fig; does not grow rank, and has a much deeper green foliage than the *Ficus repens*. It will cling very tight to walls never becoming rank or woody. Excellent for covering brick or concrete walls.

2" pots.10 Gallon cans.35

Jasminum florida. New. Upright habit, numerous small brilliant yellow flowers; vigorous grower. With beautiful foliage.

2" pots.08 Gal. cans.20

Myrtus buxifolia. Much superior to *Myrtus communis*. Foliage darker green. Leaves larger and much glossier. Quite a sturdy grower and quite hardy.

2" pots .08 Gal. cans .20 5 Gal. cans .85

Myrtus minima. New, dwarf myrtle; grows very compact and uniform. It has been proven as excellent material for dwf. hedging or miniature planting. Grows to 12 or 15 inches.

2" pots.15 Gal. cans.35

Pleroma grandiflora. New. This is a great improvement over the *P. splendens* in that it grows bushier and more compact, and the flowers are larger and more abundant. Flowers deep purple.

2" pots.08 Gal. cans.20

Pyracantha Rosedale. New introduction of ours. Produces masses of crimson berries along the branches that stand out with brilliance in winter. Berries abundantly and grows rapidly. Most attractive pyracantha we have ever found.

2" pots.10 Gal. cans.25
